APPROVED

OLD BUSINESS:

--**ZONING ADMINISTRATOR'S REPORT: (ABSENT):** This information is from Mike Bobalik: Ordinance language pertaining to kennels still in development. Right now language pertains to dogs; maybe it will change to domesticated animals instead. A committee will be looking at the language

NEW BUSINESS:

--Mike Bobalik gave out industrial hemp processing information. The application process is through LARA (Licensing and Regulatory Affairs). There has been some interest in 2 properties in the township – good proximity to the toll road and 69. They would need 2 buildings – one for processing fiber and one for oil and seeds. Bobalik has not heard back from the interested party, who may be looking to have the business closer to the Detroit area.
